Year 8 PDHPE/SPORT

Dear Parents/Caregivers,

During 2013 your daughter will be taking the Board of Studies developed course, Personal Development, Health and Physical Education. This course will be taught in each year up to Year 10, after which students who wish to develop their interests and talents in this area, may choose to study additional courses in Years 11 and/or 12.

The course addresses a wide range of personal and community health issues such as well-being, growth and development, nutrition, safety, fitness, HIV/AIDS, drug use, stress and child protection. Topics covered in PDHPE are essential for young people to study in order to support their physical, social and emotional development. All areas of study are taught in a manner which supports the role of parents.

Occasionally, students view G and PG rated DVDs, which are appropriate, educational and interesting and support the unit content. Departmental guidelines encourage parental permission for the viewing of G and PG rated DVDs at school. Parents/Caregivers are advised that they have the right to choose the exclusion of their daughter from viewing such material. Please ensure you sign the appropriate section of this note and/or comment.

The Year 8 units of work to be completed over the course of this year can be found on the attached PDHPE Assessment Policy.

Year 8 also participate in an Integrated Sport Program. Integrated sport is non-representative and courses are delivered by our Cheltenham PDHPE staff. The course focuses on developing students’ fundamental movement skills in a supportive and challenging environment. Our Integrated Sport Program will include the following units of study in 2013:

- Fitness/ Cross Country
- Soccer
- Athletics
- Netball
- Touch
- Tennis
- Swimming
- Bush Dance
- Inter-class Games

A compulsory swimming program occurs in Term 4 for all of Year 8 in their weekly Sport lesson. The cost involved is pool entry only. Further information will be sent home closer to the
commencement of the program. Year 8 also attend a compulsory Sports Skills Day which occurs in Term 3. More information will sent home closer to the event.

We generally use the facilities available within the school grounds, however, some practical classes will be held at nearby Cheltenham Oval and/or Booth Park when further space is required. Students will walk to these venues and will be actively supervised by the PDHPE faculty teachers.

If you would like further information about PDHPE please do not hesitate to contact your daughter’s class teacher on the above number. A copy of the PDHPE Uniform Policy is on the back of this letter.

Please read and sign the bottom of the Assessment Policy as receipt of this letter and the students understanding of the school Assessment Policy.

**NOTE:**

*Results for Semester 1 report will be calculated using Tasks completed in Semester 1 (Task 1-2)*

*Results for the Yearly report will be calculated using all tasks completed. That is Semester 1 tasks to total 40% and Semester 2 tasks to total 60% = 100% (Task 1-5)*
Issues relating to the non-completion / late submission of assessment tasks

NOTE

1. Computer or printer failure or malfunction cannot be taken as an acceptable reason for failure to submit an assessment task on time. It is the student’s responsibility to save her work frequently and back it up to both hard drive and disk regularly. If failure occurs, the student must submit their last printed hard copy as evidence of work completed. If the assignment is to be submitted on disk, the last saved copy is to be submitted. If students have a portable storage device they can bring it to school and print in the library on the due date.

2. If a student is absent on the day of a task, or the day the task is due to be handed in, the student must supply a parent explanation note or a doctor’s certificate to their class teacher AND roll teacher.

3. The student MUST hand in every task even if it is late.

4. Late tasks will be penalised 10%, of the total mark, per day late.

5. The student must keep a backup copy of any hand-in task until it has been returned to her after marking.

Missed Assessment Task Policy

If you have/will miss a scheduled assessment task you should

- Give prior notice to your class teacher of the absence (whenever possible) and arrange an alternative time to complete the task
- Complete the task immediately upon your return to class, with an explanatory note from your parent or caregiver to the class teacher.
